To Whom It May Concern;

September 18, 2002

I have had the privilege of using the services of Shelter Cove Construction on several occasions and have found all the people that I came in contact with to be highly professional and of impeccable character. They spent several months in my house renovating the kitchen, laundry room, and several bathrooms. They also finished the bar area for me. I found their cost to be very competitive and the work was completed in a timely fashion.

Sincerely,
