To Whom It May Concern:

This is to certify that Shelter Cove Construction has performed a number of home improvements for me and my wife and on each occasion we have been extremely well satisfied with the outcome. I have found Mr. Paul Pulverenti, who is the head of the company, to be very congenial, cooperative and a man of the highest integrity.

I have recommended his company to several of my neighbors and to my son and his wife. In each instance they have been completely satisfied and have raved about his work and that of his associates.

Mr. Pulverenti and his company enjoy an enviable reputation for quality workmanship, dependability and honesty and I have absolutely no hesitancy in recommending him and his company to anyone who can utilize their services.

Very Truly Yours,

A handwritten signature in cursive script that reads "Xavier C. Riccobono".
